e/ In addition, prior year balances available.

f/ Includes \$20,000 provided by the Supplemental Appropriation Act, 1962.

g/ In addition, \$285,000 was transferred from Section 32 funds.

h/ This activity was financed by advances from the Commodity Credit Corporation in fiscal year 1962.

i/ In addition, appropriation acts for 1962 and 1963 authorized, and the 1964 budget estimate proposes, a transfer of \$45,000,000 from Section 32 funds for purchase of agricultural commodities for distribution to schools.

j/ In addition, \$20,000,000 in 1962 and \$50,000,000 in 1963 was available from Section 32 funds for financing the Food Stamp program.

k/ In addition, appropriation acts for 1962 and 1963 authorized, and the 1964 budget estimate proposes, a transfer of \$3,117,000 from Section 32 funds to be merged with this appropriation.

l/ In addition, 1964 budget estimate proposes a transfer of \$1,417,000 of CCC administrative expenses funds to be merged with this appropriation. In 1962 and 1963, \$1,035,000 and \$1,265,000 was provided by allotment from CCC administrative expenses.

m/ In addition, 1963 Appropriation Act provided that \$81,379,500 may be transferred from the Commodity Credit Corporation Fund. The comparable 1962 transfer amount is \$77,093,000.

n/ In addition, 1964 budget estimate proposes a transfer of \$97,110,000 from the Commodity Credit Corporation Fund including not to exceed \$42,276,000 from the limitation on Commodity Credit Corporation administrative expenses.

o/ The 1964 budget estimates include an advance authorization of \$150,000,000 for the 1964 crop year program for which an appropriation will be requested in 1965.

p/ Appropriated in the Supplemental Appropriation Act, 1962.

q/ In addition, prior year balances available.

Note:--Detail may not add to totals shown due to rounding.

a/ Includes anticipated transfers and supplemental for pay and postal costs.

b/ In addition, the 1960, 1961, 1962, and 1963 appropriation acts and budget estimate for 1964 include a reappropriation of \$1,000,000 of prior year funds to provide for additional labor to be employed to strengthen work at research installations in the field.

c/ Represents that portion of the allocations by the Budget Bureau of foreign currencies accruing from sales of agricultural commodities under Title I of the Agricultural Trade Development and Assistance Act of 1954, as amended (P.L. 480), which are generated in countries where the currencies becoming available are either excess to the normal requirements of the United States or limited by the terms of the sales agreement to specific uses.

d/ In addition, 1961 appropriation act authorizes reappropriation of \$600,000 of prior year funds to employ conservation aides and other non-professional personnel on a part-time or contract basis.

e/ Prior-year balances available.

f/ In addition, \$285,000 transferred from Section 32 funds.

g/ This activity was financed by advances from the Commodity Credit Corporation in fiscal years 1955 through 1962.

- b/ In addition, appropriation acts authorize and budget estimate proposes that the following amounts be transferred from Section 32 funds for purchase of agricultural commodities for distribution to schools: 1959, \$35,000,000; 1960, \$43,657,248; 1961-1964, \$45,000,000 each year.
- i/ Includes, in addition to annual appropriations, that portion of the allocations by the Budget Bureau of foreign currencies accruing from sales of agricultural commodities under Title I of the Agricultural Trade Development and Assistance Act of 1954, as amended (P.L. 480), which are generated in countries where the currencies becoming available are not excess to the normal requirements of the United States.
- j/ In addition, appropriation acts authorize and budget estimate proposes that the following amounts be transferred from Section 32 funds and merged with the appropriation: 1960, \$2,745,709; 1961-1964, \$3,117,000 each year.
- k/ In addition, 1964 budget estimate proposes a transfer of \$1,417,000 of CCC administrative expense funds to be merged with this appropriation. In 1962 and 1963, \$1,035,000 and \$1,265,000 were provided by allotment from CCC administrative expenses.
- l/ In addition, 1963 Appropriation Act provided that \$81,379,500 may be transferred from the Commodity Credit Corporation Fund. The comparable transfers in prior years are: 1955, \$37,154,000; 1956, \$34,160,490; 1957, \$43,136,795; 1958, \$46,925,989; 1959, \$44,400,000; 1960, \$43,328,100; 1961, \$73,656,000; and 1962, \$77,093,000.
- m/ In addition, 1964 budget estimate proposes a transfer of \$97,110,000 from the Commodity Credit Corporation Fund, including not to exceed \$42,276,000 from the limitation on Commodity Credit Corporation administrative expenses.
- n/ The budget estimate includes an advance authorization of \$150,000,000 for the 1964 crop year program for which an appropriation will be requested in 1965.
- o/ In addition, 1963 Appropriation Act provided that \$225,000 shall be transferred from other appropriations available to the Department for the Office of the Inspector General. The 1964 budget estimate proposes the direct appropriation of this amount.
- p/ The amounts shown reflect not only the regular authorization to borrow from the Secretary of the Treasury as set forth in the annual appropriation acts, but also include that portion of the contingency or reserve authorization utilized during each fiscal year. The figures shown do not necessarily represent the amount of loans actually approved in each fiscal year, since loan funds carried over from prior years together with rescissions from previously approved loans were also available.
- q/ Legislation will be proposed in 1963 for the establishment of a "Rural Electrification Administration Loan Account" which will reflect the net cost of loan programs in relation to loans previously made.
- r/ \$450,000,000 authorized in P.L. 1020, approved August 7, 1956, for Farm Housing loans for use during fiscal years 1957 to 1961, inclusive.
- s/ The amounts shown reflect not only the regular authorization to borrow from the Secretary of the Treasury as set forth in the annual appropriation acts, but also includes that portion of the contingency or reserve authorization utilized during each fiscal year.
- t/ Includes \$675,000,000 provided by the Second Supplemental Appropriation Act, 1960, \$100,000,000 to complete restoration of 1958 realized losses and \$575,000,000 for partial restoration of 1959 realized losses. The remaining \$1,435,424,413, included in the regular 1960 appropriation act, was for partial restoration of 1958 realized losses.
- u/ Consists of \$632,000,994 to complete restoration of 1959 realized losses and \$594,499,006 for partial restoration of 1960 realized losses.
- v/ To complete restoration of 1960 realized losses.
- w/ Includes \$78,000,000 authorized transfer from the 1958 appropriation for "Acreage reserve program".
- x/ Appropriation Acts and Budget Estimate provide that not less than 7% of the limitation shall be placed in reserve for use only as necessary to carry out program operations.
- y/ Excludes \$3,927,500 made available for administrative expenses of the Commodity Credit Corporation which was included in the transfer from the Commodity Credit Corporation Fund to the appropriation "Expenses, Agricultural Stabilization and Conservation Service."

d/ Reduced expenditures in fiscal years 1962, 1963, and 1964 reflect establishment of a direct loan account in 1962 pursuant to Section 338(c) of the Consolidated Farmers Home Administration Act of 1961. Under this Act, collections of principal and interest on loans are deposited into the direct loan account, thereby reducing expenditures.

- a/ Revenue and nonrevenue receipts available to the Treasury for general expenditures of the Government.
- b/ Revenue and nonrevenue receipts deposited in the Treasury for specific purposes, pursuant to various legislative authorizations.
- c/ Collections of principal and interest on these loans are treated as credits against loan and other expenditures, which include interest payments to Treasury as shown.
- d/ Beginning in fiscal year 1964, under proposed legislation, collections of principal and interest on electric and telephone loans would be deposited into a loan account as credits against expenditures for new loans and for interest payments on borrowings from Treasury. These payments represent receipts to Treasury as shown.
- e/ Represents the portion of the total receipts from national forests available for (1) 25% fund for payments to States for benefit of roads and schools, (2) 10% fund for construction and maintenance of roads and trails in States from which proceeds are derived, and (3) appropriations from forest receipts for acquisition of lands, cooperative range improvements, and special payments to Minnesota counties in which Superior National Forest lands are located.
- f/ Amounts shown represent 65% of the receipts from the Tongass National Forest. The remaining 35% of these receipts are distributed to Alaska (25%) and to the fund for construction and maintenance of roads and trails (10%) in accordance with Public Law 758, 84th Congress.
- g/ For payment to counties in which such lands are located.
- h/ Estimated amounts reflect anticipated reductions in sales of long-staple cotton from national stockpile.
- i/ Receipts deposited in trust in the Treasury for expenditure by the Department, as trustee, for specified purposes.
- j/ Receipts represent payments by individual participants in the food stamp program. It is not practicable to estimate such receipts in fiscal years 1963 and 1964.
- k/ Includes trust fund receipts as well as general and special fund receipts.

a/ Amounts adjusted for comparability with the appropriation structure in the 1964 Budget.

b/ In addition, \$62,000 was available for research by transfer from other appropriations under authority of Section 702(b) of the Department of Agriculture Organic Act of 1944. Of this sum, \$50,000 was for research on cantaloupe disease and insect problems in the Southwest, and \$12,000 for research to support the vesicular exanthema eradication program.

c/ Represents 80% of amounts appropriated for construction of National Animal Disease Laboratory at Ames, Iowa (\$250,000 in 1956 and \$16,250,000 in 1957). The remaining 20% represents that portion of this laboratory which is used for animal disease control work.

d/ Represents 80% of budget estimate of \$450,000 for planning of new library building. It is estimated that 80% of library services is for research purposes and the remainder, 20%, is for other purposes.
